## What are the conditions for application?

- Cover takes effect upon receipt of application, medical questionnaire, bank details, copy of passport, payment of dues and after approval by the insurer.
- The beneficiary of the contract is provided after registering:
  - > **Immediate care** and hospitalization due to accidents and unexpected illnesses,
  - > After **3 months** for all other outpatient care,
  - > After **6 months** for dental and optical care,
  - > After **10 months** for maternity care.These waiting periods may be cancelled if health insurance was purchased before and terminated less than a month ago, except for maternity.
- The contract is signed for one year, **renewable automatically** and may be terminated with a notice period of two months under the terms and conditions of the contract.
- Payments can be paid by **quarter, semester or annually** by bank transfer, french check, Visa or Mastercard credit card or bank direct debit (from a European account).

# We guarantee you direct care and your reimbursements paid quickly

*After your subscription, we will send you your insurance certificate and your first due payment and will explain in detail how your insurance functions in order to obtain the necessary care for your medical expenses.*

## How does it work for direct hospitalisation?

- The hospital is freely chosen by the insured.
- The insured has access **24/7** to a medical platform for hospital care and reimbursements.
- The insured shall not make any advance payment for hospitalization. The insurer will cover the direct payment under the terms of the contract.

## How to track reimbursements and payments?

- You have access to a personal internet account 24/7 where you can view your reimbursements whenever you want, print your insurance card, update your personal details, refer to the contact network of medical providers worldwide.
- Our advisors are available for any questions or changes in your contract and respond within 24 hours business.

## How am I reimbursed for outpatient costs?

- All medical expenses are reimbursed on the **basis of actual costs spent by the beneficiary** of the contract (subject to exclusions and limits on benefits provided in the contract).
- Doctors **are freely chosen** by the insured.
- **Reimbursements** of other medical expenses are made, on paid medical invoices, very quickly by bank transfer. You can follow your reimbursements **via internet**.
